

Our valued customers, medical providers and community,

In an effort to best serve our patients and continue to provide superior compounded products, effective **August 9, 2017**, our Don's Pharmacy location will be closed and **all compounded prescriptions will be transferred to Sierra Compounding Pharmacy (formerly Sierra Pharmacy) at 9738 S. Virginia St #G, Reno, NV 89511**. Hale's Pharmacy, Village Pharmacy and Sierra Specialty Pharmacy will continue to operate as in the past.

We will continue as a family-owned and local pharmacy. As one of the only compounding pharmacies available in our area, we have chosen to focus on our core practice of providing this needed and valuable resource to our community. In addition, our state of the art lab at Sierra Compounding Pharmacy is able to accommodate upcoming changing industry requirements and is PCAB Accredited. We always have been and will remain committed to the highest standards in prescription offerings. We are confident we can continue to provide exceptional customer service for the needs of our community.

In an effort to make this change as convenient as possible for all, we are able to deliver compounded prescriptions to patients' homes or offices or send via US Mail. We are available to receive your refills via phone at 775-853-3504.

Patients who previously received traditional prescriptions from Don's Pharmacy can call 775-329-2000, and Sierra Pharmacy patients can call 775-853-3500, to be directed to the new location of their pick up or refills.

For prescribers, we will continue to accept e-prescribe compounded prescriptions to Sierra Compounding Pharmacy, prescriptions via phone, or you are able to continue to send patients with written compounded prescriptions to our South Reno pharmacy.

As always, please do not hesitate to contact us at 775-853-3504, should you have any questions, as we want to make this transition as smooth as possible. We appreciate your business over the years and look forward to continuing to serve as your provider for your prescription needs.

Sincerely,

David Vasenden, Owner
Sierra Compounding Pharmacy

Brant Skanson, Owner
